

Multisport Scoreboard

The NB1200 is especially made for badminton, but can also be used for volleyball and table tennis.

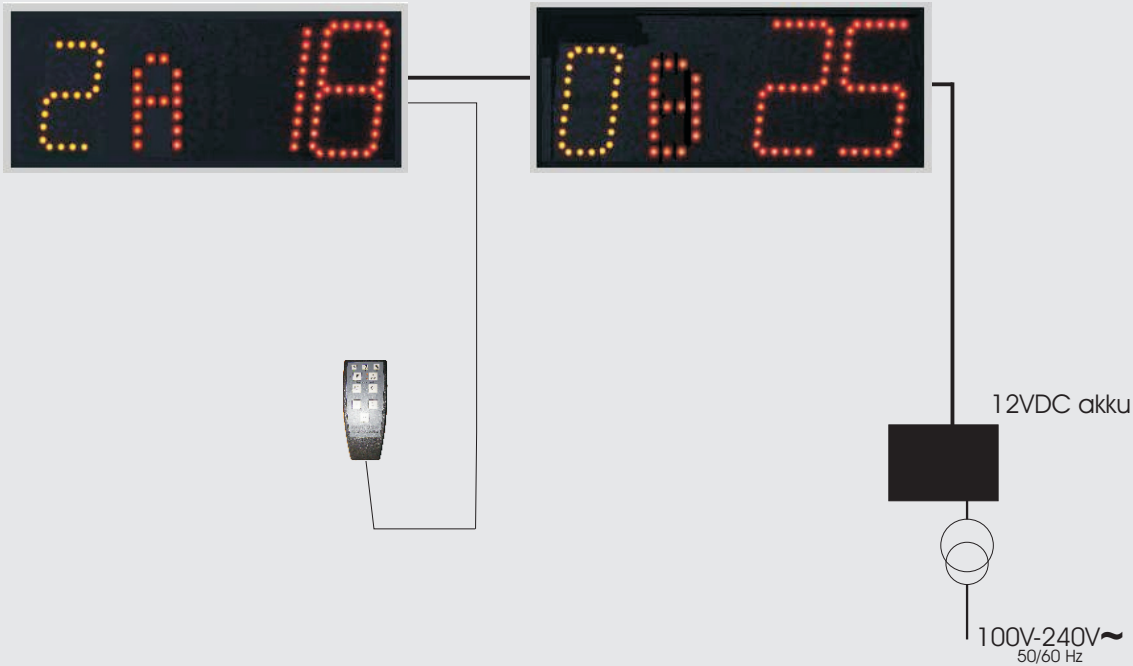

The two scoreboards display set result, points and service.

Features:

- Easily controlled from user-friendly handle
- The result is displayed on both sides in clear colours - easy to see for players and spectators
- The scoreboard complies fully with the new rules and contains all required functions.
 - counts points (up to 30) and controls, who wins the set
 - serving rights are controlled automatically - also in double
 - breaks included - one scoreboard is displaying the break time and counts down
 - possible to change sides
 - possible to make a forced settlement
 - possible to correct mistakes
 - possible to draw lots automatically
 - ensured for the future; prepared for wireless communication
 - it will be possible to send results to a main scoreboard when having team matches
- Avoid cabling on the floor - is delivered with a battery charger
- Easy to mount and dismantle
