The NS2596 is our special GYMNASTIC scoreboard. With this scoreboard you can show the name and number of the competitor, the time and of course the points given. The discipline is indicated by red dots.

Up to 9 scoreboards can be operated from one control panel. Four-sided scoreboards are also delivered on request, and in most cases custom requirements can be accommodated.

The scoreboard is easy to install, mounting brackets are supplied with every system.

Every scoreboard produced by Nautronic a/s is a high quality product and has gone through rigorous testing before leaving the factory and being shipped off to its destination anywhere in the world.
